SWIM LESSONS

All sessions will be held at the South Dakota Developmental Center Activities Center. Participants must be dropped off at the North Entrance. Children should not walk or ride their bikes to Swim Lessons. Sessions will be 30 minutes in length and run Monday-Thursday, for two weeks. We will use Friday as a make-up session for weather related delays when needed. Each of the 4 sessions will have a variety of levels to choose from. If you do not see the level your child needs in one session, you may need to choose a lesson from another session. For a complete list of classes offered and the times, please go to the website or the online registration page.
